

EVA DE VRIES

— FREELANCE MULTIMEDIA JOURNALIST & STORYTELLER —

11-11-1984 ♦ Dutch ♦ Kigali, Rwanda

In 2015, I decided to quit my permanent job to chase my dream of working as a journalist in Africa, the continent that has fascinated me for the last ten years. Currently based in Rwanda, I work as a freelance multimedia journalist for Dutch and English language media and carry out storytelling assignments for international organisations.
